

# Unicorn Therapeutic Riding

Winter 2024

*Please remember to dress warm when coming to the barn-- coats, gloves and warm socks are a must! Our viewing room is heated so family members and students should stay inside when they are not riding.*

For their safety, Mac and Tosh must stay in the viewing room, so please remember to keep the doors shut and make sure they do not sneak out while you are coming through the door!

## **We have some new faces around the barn!**

Welcome, Diego! He will be helping around the barn five days a week. We are so thankful to have him join our team!

Welcome, Sox! Sox is a sweet little horse who was looking for a new job after his previous rider outgrew him. He has been a great addition to our lessons and a calm friend for our thoroughbreds!

Zeno is growing up! He is now 10 months old and enjoyed playing in the snow with his buddy, Sam!

## HRH of New Jersey Horse Show 2023

A few of our riders participated in the HRH of New Jersey Horse Show back in October. All of our riders' hard work was evident and everyone came home with great ribbons!

Special congratulations to Tori for winning the best dressage score of the day award, and Samantha and Sam for winning the Barbara Isaac Trophy!

## Coming Soon...

Unicorn has applied to become a Para-Dressage Center of Excellence! Currently, there are no centers in the state of New Jersey with the designation. Erin and Jen recently traveled to Wellington, FL to meet with key people, observe the Global Dressage CPEDI\*\*\* and 4\* events at the Equestrian Village. We are very excited for this new endeavor!

## Volunteer Updates

Thank you to Diana Sheehan and her husband, Ethan Halm, for hosting a beautiful dinner for our hard-working volunteers!

## Rider Updates

We have a 24-hour cancellation policy at Unicorn. If you need to miss a lesson for any reason, please let us know as soon as possible to avoid a charge!
